

## **Workshop on Psychosocial Support for Covid Pandemic Conditions**

A workshop was held on Psychosocial support for Pandemic Conditions in Dev Samaj College For Women Sector 45 Chandigarh in collaboration with Mahatma Gandhi National Council of Rural Education (MGNCRE), Department of Higher Education, Ministry of Education, Govt. of India on 27-05-21. The keynote speaker Mr Samarth Sharma managed it very well through his insight knowledge and making it quite an interactive session for the students. He stressed upon making five teams of students as Covid helpers which would surely be focused upon . We really applaud his knowledge and also the efforts made by the higher authorities to provide social support and awareness among the masses specially the young brigade who can really become the motivators for all those suffering around them. Hope to conduct such successful sessions in future too with your collaboration for the development of our youth.

I, Dr Meena Chopra, Principal, Dev Samaj College For Women Sector 45 Chandigarh, highly appreciate the efforts of MGNCRE for conducting this workshop.
